

AMENDMENTS TO THE DRAWINGS:

Please insert the enclosed drawings. These drawings were part of the originally filed specification and can be found on page 47, immediately above line 3 and on page 48, just before line 4.

REMARKS

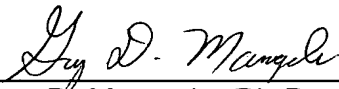

In response to the Office Communication of October 12, 2010, please enter the amendments to the specification and the drawings as indicated above.

In the event that there are any questions related to this response, it would be appreciated if the Examiner would telephone the undersigned attorney at the below-listed telephone number concerning such questions so that this allowed application may issue as a patent in a timely manner.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
